Here is a 'Summer Vacation Activity Box' just for you. So get ready for your treasure hunt, with the help of your parents.

Few guidelines for your parents to make your long summer break fruitful

- 'Knowledge is power'. Therefore encourage your child to cultivate the reading habit because it not only enhances the knowledge acquired but also develops the vocabulary, language skills and improves spellings. And also read to your child because it builds reading skills and increases his/her attention span.

- Communication skills play a pivotal role in grooming the overall personality. Converse regularly with your child, preferably in English. We would appreciate if you adhere to the following points:

The teachers are trying to encourage the children to use simple words, phrases and sentences like:

- May I go to play?

- I have finished my work.
- Mam, may I go for convenience?
- Mam, may I quench my thirst?
- Mam, may I come in please?
- Mam, may I go to the bookshop?
- Mam, may I go to wash my hands?

- I am sorry for the delay.
- Could you hand me the book?
- Could you please shut the door?

Use of magic words like excuse me, sorry, thanks, please.

- When asking for something, say "Please."
- When receiving something, say "Thank you."
- Do not interrupt grown-ups who are speaking with each other unless there is an emergency.
- If you need to get somebody's attention right away, the phrase "excuse me" is the most polite way for you to enter the conversation.
- When you have any doubt about doing something, ask permission first. It can save you from many hours of grief later.
- When you have spent time at your friend's house, remember to thank his or her parents for having you over and for the good time you had.
- Knock on closed doors and wait to see if there's a response before entering.

Children can be encouraged to use simple words and sentences at home also. For example

- Mummy, may I help you in the kitchen?
- Mummy, should I help you wash the dishes today?
- Papa, can I help you wash the car?
- Grandpa, should I come with you for a walk?
- Grandma, should I read the newspaper?
- Mummy, may I get you a glass of water?
- Mummy, may I take some more Ice-Cream from the fridge?
- Papa, I'm sorry I was rude to you.
- Papa, please teach me how to ride a bicycle.
- Mummy, may I join the summer workshop?

- Mummy, may you teach me to make cold coffee please?
- Didi, may you help me find my English note book?
- Papa, may we go cycling together today?
- Wishing people properly - Hello Uncle / Aunty how are you?
- Wishing parents and elders Good Morning, Good Afternoon, Good Evening and Good Night.

If we, as teachers and parents make a sincere effort and pay attention to the above mentioned points, we can help our children to learn, to understand and speak English at an early age.
